### ABOUT ME

A hard working and process oriented Data professional with experience in Data management, Data pre-processing, Data analysis & Machine learning. Experienced in handling a team of data analyst. Looking forward to grow in field of Data Science and machine learning.

### SKILLS

- Ad. Excel
- Linux/Unix
- Python
- Tableau
- SQL
- Data Analysis
- Deep Learning
- Regression
- Classification
- Data Bricks
- ETL

### CERTIFICATION

- Red Hat
- Data Fluency: Exploring & Describing Data
- Data Science Foundations: Fundamentals

### EDUCATION

University Of Pune

B.Com | 2004 - 2007

### Address

L-3/103, highway housing society, S.V. nagar, Hadapsar, Pune-411013
